## ANNEX - A UNDERTAKING FOR INCLUSION

We, M/s **PAAM TESTING LABS PRIVATE LIMITED**, a BIS Recognized OSL with OSL Code **8185506** located at **Plot no. 41, Udyog Kendra Extn.-II, Ecotech-III, Greater Noida, G.B. Nagar, Uttar Pradesh – 201306 (India)**, are applying for inclusion of the following Indian Standards in our recognized scope under BIS LRS:

S. No.	IS Number	IS Title	No of Amendment	Grade/Type/Size/ Designation/Range etc	Monthly Capacity
1.	IS 4989: 2018	Foam concentrate for producing mechanical foam for firefighting – Specification (Fourth Revision)	1	-	20

We undertake that:

1. Complete test facilities for the Indian Standard (s) for which application has been made for inclusion under BIS LRS are available with our laboratory (except exclusions, if any). The exclusions of parameters due to technical reason, if any, have been mentioned in our application.
2. The required testing equipment with accuracy/ range/ least count / consumables / CRM / RM etc as required for carrying out testing as per the Indian Standard for which inclusion application has been made are available in our laboratory.
3. In case the test facilities for the products applied for inclusion are not found available/ not found in working order in our laboratory/ our lab not able to demonstrate the testing during the verification audit, the Indian Standards included will be deleted from the scope of our laboratory with immediate effect and our laboratory will not be able to apply for inclusion for a cooling off period of three months from the date of deletion of IS from the scope.
4. In case of any other major deviations found during the verification audit, action as per BIS LRS can be taken against the laboratory.

**Note:** Any test parameters for which test facilities are not available and exclusion has been sought has to be mentioned in the inclusion application and decision on inclusion of such Indian Standard will be taken by BIS as per BIS LRS 2020.
